

**TINY TOT'S FAMILY CHILD CARE  
RATES FOR 2008 - 2009**

**All rates are based on a per slot fee, not per hour. All rates are paid whether your child/children attend or not. This is for 52 weeks a year. I do not pro-rate or give breaks so please do not ask. All fees are due on Monday mornings at time of drop off.**

Full time - 5 days a week - 6 + hours a day = \$150 -\$190 a week

Less than 6 hours a day - 5 days a week = \$145 a week

**I normally do not offer part time rates but if I do here are the rates, and these are also non-negotiable. You will be required to pay on the first day of care at drop off.**

3 days a week - 6 or more hours a day = \$140 a week

2 days a week - 6 or more hours a day = \$110 a week

All other part time rates will be at an hourly rate of \$10.00 an hour. I need to make sure I have an assistant here when additional hours are needed.
